Contract Modification 4

Add the following to the Bid and Contract Conditions:

Electronic payment. The City and County of San Francisco (City) uses Bank of America's PayMode-X system to pay invoices electronically and not by check whenever possible. The City makes PayMode-X payments every business day, but starting November 17, 2010 will process, print and mail paper checks only one day a week. So the City encourages you – and it is greatly to your benefit – to enroll in PayMode-X now.

There is no cost to you to enroll in PayMode-X, and you get the same information electronically from PayMode-X that you would get on the City's check stub.
