BLANKET TERMINATION

EFFECTIVE MARCH 7, 2006

Cationic Polymer, Liquid

Blanket Purchase Order No.: BPSF00002028

Contract No. TC-67001

Vendor: California Environmental Dewatering

TO ALL USER DEPARTMENTS:

Please be advised that **Blanket Purchase Order No. BPSF00002028 with California Environmental Dewatering** for Cationic Polymer, Liquid, has been terminated **effective March 7, 2006.**

PUC Purchasing is in the process of requesting prequalification of polymers for the purpose of participating in an upcoming multi-year comprehensive polymer contract. In the meantime, departments may make purchases by using their Prop Q authority and or submit requisitions to Purchasing for bidding purposes.

Please feel free to contact me with any questions.

Sincerely,

A handwritten signature in cursive script that reads "Gloria Gill".
