## UNIFORM CITY RATES

### General Fund & Non-General Fund Accounts

(Except Park & Recreation)

**EFFECTIVE July 1, 2013**

**Rates:**

- Prices listed in this rate book are based on the rates which were effective from July 1, 2010 until June 30, 2013, including a 1.3% surcharge on trash container charges, inflated by a 2.7% Cost Of Living Increase. This increase is consistent with the 2012 San Francisco Bay Area Consumer Price Index, a widely accepted system of monthly data on changes in prices paid by urban consumers.

**Rate Calculation:**

- All collection containers for trash, recyclables and compostables are subject to the same container charges listed in this rate book.
- 95% of the charges for container service are eligible for a recycling and composting volume discount.
- Premium service charges (e.g. key, distance and elevation) are not subject to a discount.
- The recycling and composting volume discount is equal to the percentage of recyclables and compostables service volume relative to total service volume, up to a maximum discount of 75%.
