

## 3 Things to Do *After* Your Account Migrates

The list on this page provides links to the most common things users initially seek to do.

If you have questions please contact your department's IT Service Desk.

Connect your mobile devices using these directions:

Check your Junk Email regularly to confirm messages haven't gone there unexpectedly.

If they have, just Right Click on the message, select "Junk E-mail", and select "Add sender to safe senders list". Then drag the message to your Inbox.

Visit our Documentation & Training pages to learn how to get the most out of Office 365:
