The following changes are incorporated into Term Contract 71617 Consumable Parts for City Owned Vehicles.

- 1) **Special Condition 71.f. "Bidder's/Contractors Qualifications and Requirements" on page 419 of 433 is hereby deleted in it's entirely and replaced with the following:**

**71. Bidder's/Contractors Qualifications and Requirements**

- f. Contractor must have a storage warehouse, distribution facility, parking area and will-call counter located no further than thirty five (35) miles, one way drive to/from the City facilities; Exception for Group D, bidders/contractors must have a facility within no more than 70 miles of City facilities. (See addresses on Special Conditions 72. Delivery)

- 2) **Special Condition 72. "Delivery; Emergency Orders" on page 420 of 433 is hereby deleted in it's entirely and replaced with the following:**

**72. Delivery**

**Emergency Orders:** Bidder must be able to make prompt emergency delivery of parts within two (2) hours after receipt of phone order. For Group D orders, the delivery time for emergency orders is within four (4) hours.

- 3) **Special Condition 73.a and k. "Price and Price Adjustment" starting on page 421 of 433 is hereby deleted in it's entirely and replaced with the following:**

**73. Price and Price Adjustment**

- a. For Groups A and B, bid prices are to be firm for the first six (6) months of the contract. Only prices that appear on the City Contract Proposal Bid Sheets, Appendix A and B will be considered for the award of this contract. No other pages with prices or attached price list, catalog prices, will be considered. An exception is Aggregate 6 of Group B. The bidder has the option to submit nationally published Warehouse Distribution (WD) pricing with a percentage mark up or mark down. For Group C, the best quoted price from among the vendor pool. For Group D, the price from the catalog/price list with the discount or mark-up from the awarded vendor shall be used.
- k. For group D and Aggregate 6 of Group B (if that option prevails), the submitted price list which has the lowest net price based on their plus or minus the submitted price list will be firm until an updated price list is approved. In order for a updated price list to be approved, the contractor must submit a letter requesting the update indicating the supplier's name, term contract number and published price list and number. This request and updated price list shall be submitted to the purchaser for approval. If approved, a contract modification will be executed and signed by both parties identifying the new price list and its effective date.
